ICAPP Statement on the Death of Former President Nestor Kirchner
(Seoul, Korea, October 29, 2009)

We, the members of the Standing Committee of the International Conference of Asian Political Parties(ICAPP), are deeply saddened to hear about the untimely demise of Former President Nestor Kirchner, one of the greatest leaders in the history of Argentina.

We convey our hearty and deepest condolences to President Cristina Kirchner and her family and our friends in Argentina and Latin America.

May the bright memories of his great achievements in life and contributions to the betterment of life of the Argentine people give peace and consolation to the family and friends, and be guidance for the future of Argentina.

And may God bless Argentina and her people during this time and always.
