His Excellency Jeon Jae-man,
Acting Secretary General
*ICAPP Secretariat; **Seoul,***

Dear Excellency,

*As you know, I am in the process to demand the "**Observer Status**" of UNESCO for the "**Asian Cultural Council**".*

My Ambassador to the UNESCO informed me the following:

- *Once UNESCO receives the request by the Chairman of the Asian Cultural Council, the General Director of UNESCO will submit it to the Executive Council of the UNESCO.*
- *In case there is no opposition, the demand will be accepted*

*Therefore, I think that it is appropriate to inform all the 53 country members of the ICAPP on the Asian Cultural Council to avoid their surprise or opposition for not being informed of the decision of the 28th ICAPP Standing Committee on the "**Asian Cultural Council**" during the next discussion of the Executive Council of UNESCO.*

Please, Excellency, accept the assurances of my high consideration and sincere thanks.

Hor Namhong
ICAPP's Vice-Chairman
and Founding Chairman of the Asian Cultural Council, Co-Chairman of the Asia-Europe Political Forum.
