Pre-notice of the ICAPP Special Conference, 2011

Hosted by the Communist Party of China

Beijing, July 14, 2011

Respected Members of the ICAPP,

Under the ICAPP Priority Project and the Conclusions of the 15th ICAPP Standing Committee Meeting, the Communist Party of China is going to host the ICAPP Special Conference in Nanning, China early September this year. The conference is themed on *Development and People's Access: Deliver the Fruits of Development to the People*, with two sub-themes, *Asian Political Parties' Envisions for Development* and *Role of Political Parties in Promoting People's Access to the Fruits of Development.* It aims to boost the exchange of experience in economic development and social sharing, to promote sustainable development in Asia, and to commemorate the 90th anniversary of the founding of the Communist Party of China.

The concept paper, invitation and application forms of the conference will be sent soon.
