In this regard, the Secretariat reported that some SC Members had expressed the view that the *COPPPAL* and the CAPP need to be more inclusive with region-wide participation of principal political parties. They had also stressed the need to start planning specific joint efforts in areas of common interest and to gradually work together for further institutionalization of the trilateral cooperation.

Some SC Members were also of the view that the ICAPP activities need to be more focused on interactions amongst political parties within the region, emphasizing that their primary interest in participating in the ICAPP activities is Asia-specific with the main objective of increasing interconnectivity with other Asian partners.

Adoption of the Jakarta Declaration

SC Members reviewed the draft Jakarta Declaration, which had been prepared and circulated in advance by the Secretariat, and agreed to submit the revised draft for adoption at the 1st

Trilateral Meeting among the ICAPP, *COPPPAL* and CAPP.

In the draft Jakarta Declaration, SC Members reaffirmed their commitment to the U.N. Charter and the Ten Principles of Bandung, adopted in 1955, and to the role of political parties in enhancing democratic values and adhering to the principles of good governance and the rule of law. They proposed to identify poverty and environmental degradation as two most serious challenges which need closer cross-border cooperation among the three continents. They also proposed to initiate a process to further strengthen the trilateral cooperation in the areas of common interest and gradually work together for gradual institutionalization of the trilateral cooperation among political parties in the three continents.

The Jakarta Declaration was adopted at the closing session of the Trilateral Meeting as proposed by the SC, and is attached as *Appendix V-4*.

Review of Other Work Programs of the ICAPP for 2016

1st Joint Session between the ICAPP Standing Committee and the APA Executive Council

The Secretariat reported that, due to lack of communication between the Secretariats of the ICAPP and the APA, a joint session between the ICAPP Standing Committee and the Asian Parliamentary Assembly (APA) Executive Council had not been convened despite repeated efforts. The main objective for such a joint session is to explore ways to promote cooperation and coordination between the two organizations.

At the 25th SC Meeting in Beijing in October 2015, SC Members agreed once again to convene the first joint session in Phnom Penh on the sidelines of the APA Plenary Meeting which was to be held in Phnom Penh in December 2015. However, due to the need for more coordination with the APA, the dates for the joint session had been further delayed to early part of 2016.

Under the circumstances, the Secretariat, after close consultations with several SC Members, recommended to defer the joint session with the APA until a strong request is received from the APA with a concrete proposal for such a meeting in the future, or until there arises a strong need for closer coordination and cooperation with the APA Executive Council to further promote ICAPP objectives and activities.

In this regard, SC Members requested the Secretariat to continue to have close dialogue with the APA Secretariat with a view to convening the first joint session in the near future. In particular, Hon. Hassan Ghafouri Fard, SC Member from Iran, where the APA Secretariat is seated, invited the ICAPP Secretary General to visit Tehran and have direct discussion with the APA Secretary General.

Hon. Sok An, Deputy Prime Minister and Member of the Standing Committee of the Cambodian People's Party, reconfirmed the offer to host the 1st Joint Session in Phnom Penh.

4th Meeting of the ICAPP Women's Wing, 4th Meeting of the ICAPP Youth Wing and 2nd

Meeting of the ICAPP Media Forum

As was confirmed by Hon. Dato Seri Shahidan Bin Kassim, Chairman of the Organizing Committee of the 9th GA, SC Members agreed to hold the 4th Meeting of the ICAPP Women's Wing, 4th Meeting of the ICAPP Youth Wing and 2nd Meeting of the ICAPP Media Forum in Kuala Lumpur during September 1-4, 2016 on the sidelines of the 9th GA.

ICAPP Special Conference on Migration and Refugees

The Secretariat reported that Hon. Dr. Fatma Betul Sayan Kaya, Member of Parliament, Chairperson of Women's Branch and Vice Chairperson in charge of Foreign Affairs, Justice and Development Party (*AK Parti*), who was recently nominated as new SC Member from the *AK Parti*, has recently confirmed the offer to host the "ICAPP Special Conference on Migration and Refugees" in Turkey. It was originally proposed to be held in June 2016. However, due to the first World Humanitarian Summit to be held in Istanbul in June, 2016, Dr. Kaya proposed to hold the conference in September or October. Dr. Kaya's letter to the Secretariat is attached as ***Appendix VIII-1***.

In consideration of other ICAPP activities, i.e. the 9th GA in early September and the deliberations on the item of ICAPP's observer status at the U.N. General Assembly in mid-October, SC Members requested Hon. Burhan Kayaturk, Member of Parliament, *AK Parti*, who attended on behalf of Dr. Kaya, to consider holding the conference in late October or early November, and Mr. Kayaturk tentatively agreed to this request.

Exact dates and the venue for the special conference will be informed in due course. In this regard, the tentative program of the conference, which has been proposed to the *AK Parti* by the Secretariat, is attached as ***Appendix VIII-2***.

1st Meeting of Asia-Europe Political Forum

The Secretariat reported, following the endorsement by SC Members at the 25th SC Meeting in Beijing in October 2015, on the proposal to establish the Asia-Europe Political Forum (AEPF), it has discussed with the four principal groups of political parties in the European Parliament, i.e. the European People's Party (EPP), the Progressive Alliance of Socialists and Democrats (S&D), the European Conservatives and Reformists Group (ECR) and the Alliance of Liberals and Democrats for Europe (ALDE), the possibility of holding the 1st meeting of the AEPF in Brussels or somewhere in Asia in June 2016. The Secretariat's proposal to the groups of political parties in the European Parliament is attached as ***Appendix IX***.

To this proposal, groups of political parties in the European Parliament have recently responded that they would need more time to define the objective and work of the AEPF before they decide to have its first meeting and proposed to have further consultations. One group also suggested the possibility of holding the meeting in the latter part of 2016.

In this regard, Hon. Helga Stevens, Member of the European Parliament and Vice

Chairperson of the European Conservatives and Reformists Group (ECR), who attended the SC meeting as an observer, said that the ECR welcomed the proposal. She said, however, it would need more time for all groups of political parties in the European Parliament to take a decision. She said that they would need more time to have clear understanding on the objective of such an initiative and the activities of the ICAPP. She also said that it takes time to reach an agreement among all representatives from 28 members of the European Union.

Hon. Dr. Andrey A. Klimov, Deputy Chairman of the Committee on International Affairs of the Council of Federation (Senate), and SC Member representing the United Russia Party, suggested that the ICAPP Secretariat also directly contact the main groups of political parties in Europe and the Secretariat of the European Parliament, so that they can have better and clearer understanding of the objectives and activities of the ICAPP, and the main objectives of the AEPF. He also suggested that the ICAPP keep inviting the representatives of various groups of political parties in Europe to future ICAPP events as observers.

Hon. Burhan Kayaturk, Member of Parliament, from the *AK Parti* of Turkey, also suggested that the ICAPP may seek the support of the Council of Europe on the proposal of establishing the AEPF.

Other Activities of the ICAPP

Establishment of the Silk Road Exchange and Cooperation Center for Political Parties

Hon. Chen Fengxiang, Vice Minister of the International Department of the Central Committee of the Communist Party of China (IDCPC), expressed his gratitude to SC Members for their support for the successful Special Conference on the Silk Road which was held in Beijing in October 2015.

In this regard, the IDCPC submitted the proposal to establish the “Silk Road Exchange and Cooperation Center for Political Parties” (hereinafter referred to the “Silk Road Center”) in Beijing, in accordance with Para 113 of the Beijing Initiative which was adopted at the special conference. The proposal is attached as *Appendix X*.

Mr. Chen stressed that the activities of the Silk Road Center would be open to all political parties from the countries along the Silk Road. He proposed to set up a Council which will be composed of representatives of leading political parties from the countries along the Silk Road to discuss future activities of the Silk Road Center and hold its first meeting in Beijing by the end of 2016.

SC Members welcomed the proposal. In particular, Hon. Hassan Ghafouri Fard, Former Vice President of Iran, Chairman of the Central Committee of the Iran House of Political Parties, stressed the need for closer consultation and coordination among the leaders of political parties along the Silk Road to follow up on the results of the Special Conference on the Silk Road in October 2015 and said that he looked forward to making fruitful results at the next Special Conference on the Silk Road to be held in Tehran in 2017.

ICAPP's Bid for Observer Status in the U.N. General Assembly

The Secretariat reported that the Sixth Committee of the 70th Session of the U.N. General Assembly (UNGA), at its meeting on December 14, 2015, decided to defer a decision on the request for observer status for the ICAPP in the UNGA, in the absence of consensus, to the 71st Session of the UNGA which would start in September 2016. Report on the final decision (U.N. Document, A.70.535) at the Sixth Committee of the 70th UNGA Session is attached as ***Appendix XI***.

The draft resolution to invite the ICAPP as U.N. observer had been co-sponsored by the governments of 10 member states, i.e. Australia, Azerbaijan, Cambodia, Indonesia, Japan, Republic of Korea, Nepal, Netherlands, Philippines and Sri Lanka,

In this regard, Hon. Chung Eui-yong, Secretary General, stressed the need for more governments of the countries in the region, in particular those countries which are represented in the SC, to join the draft resolution as co-sponsors.

Mr. Chung also mentioned about the Secretariat's plans to send a mission to Argentina and Venezuela, which had expressed reservations on the item of granting observer status to the ICAPP. Details of the plan will be prepared in close coordination with the COPPPAL and circulated among SC Members for their consideration to participate in the mission. In this regard, the recent changes in the political situation in the two countries after the parliamentary and presidential election since last November may need to be closely evaluated with regard the ICAPP's initiative.

Signing of the Inter-governmental MOU to Support ICAPP Activities

The Secretariat also reported that the inter-governmental MOU to provide support for the activities of the ICAPP, which was first signed on July 26, 2013, has so far been signed by the governments of 10 countries in the region, i.e. Azerbaijan, Bangladesh, Cambodia, China, Iran, Kazakhstan, Nepal, Republic of Korea, Sri Lanka and Vietnam.

In this regard, more governments of the countries in the region, in particular those countries which are represented in the SC, were requested to sign the MOU in the near future.

Future of the ICAPP

Budget of the Secretariat

Hon. Chung Eui-yong, Secretary General, reported that, since the ICAPP Secretariat was formally established in Seoul on January 1, 2009, in accordance with the agreements reached at the 9th SC Meeting in Islamabad in March 2008 and the endorsement made at 5th General Assembly in Astana in September 2009, the Secretariat had consistently negotiated with the

Government of the Republic of Korea on the possibility of providing budgetary support for the operation and management of the ICAPP Secretariat as the host nation, with strong support of the two principal political parties in Korea which are represented in the SC.

Mr. Chung reported that, in this regard, the Korean Government decided to provide financial support from the budget of the Prime Minister's Office for the activities of the ICAPP Secretariat from the fiscal year of 2016, under several conditions. First, the budget has to be implemented strictly in accordance with the government's budget regulations. Second, the use of budget will be strictly limited to the management and activities of the ICAPP Secretariat. Third, the Korean government will also evaluate the activities of the ICAPP Secretariat at the end of each fiscal year and decide whether to continue its budgetary assistance.

Mr. Chung said that, although the total amount of the allocated budget is not sufficient to cover all the expenses of the Secretariat's activities, it was a positive step forward to further institutionalization of the ICAPP.

SC Members welcomed the decision by the Korean Government to provide the budgetary support to the ICAPP Secretariat and expressed their gratitude.

Proposal to Establish the ICAPP Fund

The Secretariat reported that recently some SC Members had expressed their interest in establishing the ICAPP Fund for ICAPP activities and projects. In this regard, some SC Members also expressed their willingness to make contributions to the ICAPP Fund, if most of the political parties represented in the SC would join and the rules on how to manage the fund in a transparent way would be well prepared in advance at the SC.

In this regard, Hon. Fadi Fawaz, Advisor for Development Affairs to Chairman of Future Movement Party of Lebanon, proposed to set up a group of 100 leading businesses and 50 banks in Asia within the ICAPP which can provide financial assistance for ICAPP activities. It was agreed that Mr. Fawaz would prepare and submit a more concrete proposal for more consultation at the next SC meeting.

Further Institutionalization of the ICAPP

The Secretariat reported that Some SC Members had suggested the need to have more exchanges of frank views among SC Members on how to make the ICAPP more sustainable and institutional. In this regard, SC Members agreed to continue to consider this issue in future SC meetings.

Other Issues

SC Members expressed their support for the Joint Comprehensive Plan of Action (JCPOA) on Iran's nuclear program, which was reached in July 2015 between Iran, P-5 countries and the European Union.
