(Tehran, Iran, February 2, 2018)**

The 29th Meeting (hereinafter referred to as “the Meeting”) of the Standing Committee (hereinafter referred to as “the SC”) of the International Conference of Asian Political Parties (hereinafter referred to as “the ICAPP”) was held at *Zomorrod* Hall of Hotel *Homa* in Tehran, Iran. The Meeting was held between the sessions of the ICAPP Special Conference on the Silk Road, which was hosted by the Islamic *Motalefeh* Party and co-hosted by the Foundation for Islamic Development from February 1-4, 2018, from 20:00 to 22:00 on February 2, 2018.

The list of participants and annotated agenda of the Meeting are attached as *Appendixes I-1 and I-2*.

The Meeting was chaired by Hon. Jose de Venecia, Jr., Founding Chairman of the SC and Hon. Park Ro-byug, Secretary General of the ICAPP. The List of SC Members is attached as *Appendix II*.

Preparations for 10th General Assembly of the ICAPP

The SC Members reached the following common understanding about the hosting of the 10th ICAPP General Assembly (hereinafter referred to as “GA”).

- It is desirable and efficient to hold the GA together with meetings of the ICAPP Affiliated Groups, such as the Women’s Wing or the Youth Wing.
- If and when Russia (United Russia Party) decides to host the 10th GA, it would be preferable to take place either in Moscow or other cities except for Vladivostok, because the SC and a Special Conference were already held in Vladivostok.

The SC Members expressed their support and mandate to the Secretariat’s pro-active step in order to decide on which member of the ICAPP would host the 10th GA within about a month, preferably until March 2018.

In the meantime, the Justice and Development Party (*AK Parti*) from Turkey expressed their interest in hosting the 10th GA along with other ICAPP affiliated Groups. In this regard, the further progress of the 10th GA would be notified to the ICAPP SC Members after the follow-up consultation with the United Russia Party.

Preparations for the ICAPP Special Conference on the Silk Road

Hon. Jose de Venecia, Founding Chairman of the ICAPP, and Secretary General Park Ro-byug appreciated Hon. Prof. Hassan Ghafoori Fard, SC Member of the ICAPP and Islamic *Motalefeh* Party for preparation of the ICAPP Special Conference on the Silk

Road as a host of the Conference. The Program, List of Participants, List of Speakers, and Concept Paper of the Conference are attached as *Appendixes III-1, III-2, III-3, and III-4*.

The SC Members reviewed the Tehran Statement on the Silk Road, which has been prepared by the host of the Special Conference and circulated among SC Members in advance. Issues relating to the ICAPP Standing Committee (SC)

Future Meetings of the SC

- Secretary General Park Ro-byug explained that since the 29th Meeting of the Standing Committee, which was originally scheduled in autumn of 2017, is taking place in February 2018, there is a need to discuss when and where we will have the 30th and 31st SC Meetings.
- He also mentioned that it would be valuable if the 31st and/or 32nd SC Meeting could be held back-to-back with either the GA or other meetings.
- The representative of the Turkey expressed its willingness to host the 10th GA and preferably the next SC in connection with holding its Asian Parliamentary Assembly to be held in October, as is above-stated. In this regard, the Secretariat

was requested to take into account the Turkish offer, after receiving Russia's position as soon as possible.

- Membership of the Japanese political party (Party of Hope) at the SC:

The Secretariat has received a request from the Party of Hope of Japan which asked the ICAPP Secretariat whether one of its Party member could attend the SC (in addition to the Special Conference) instead of a representative of the Democratic Party (DP), considering the results of the lower house elections last October. It was reported that during the preparation period of the lower house elections last year, a representative of the DP has been separated into the Party of Hope (PH), the Constitutional Democratic Party (CDP) and the DP. And then the rankings of the opposition parties changed with 54 seats for the CDP, 51 seats for the PH and 12 seats for the DP, following the lower house elections. At present, Hon. Hiroe Makiyama, Director General of the DP is attending as a representative of Japanese SC members to the Standing Committee.

Moreover, the International Bureau of the Liberal Democratic Party (LDP) reaffirmed its position that it would not attend regular meetings of the ICAPP including the SC due to the difficult domestic political situation, as delivered by the LDP and already communicated at the 22nd Meeting of the SC in Vladivostok in 2014.

Some members agreed with the Secretariat to defer a review on which representatives of the Japanese political parties may be invited to the SC until the positions of the relevant political parties of Japan are clearly delivered to the Secretariat.

The SC Members agreed that confirmation are not expressed within the pre-informed period, the Secretariat may be able to sound out other candidate countries to hold the meetings.

In this regard, the representative of Nepal mentioned the tentative willingness to hold the Youth Wing Meeting probably in July, when the election finishes in April/May.

In this connection, the Secretariat, in close consultations with the SC Members, is going to prepare a review paper on the ICAPP's approach to the observer status until May 17, 2018, in order to facilitate discussions on practical and coordinated steps to realize the observer status in the UN General Assembly as soon as possible.
